

You Are Almighty

Oh Lord above, You are Almighty,
in all Your works, You act uprightly.
You, the Creator of us all,
Your children answer to Your call.
With joy to You our anthems raise
and sing to You are grateful praise.

Christ came to earth offering salvation,
Your grace and peace for ev'ry nation.
He suffered on a cross in pain,
but Lord He did not die in vain.
In all the scorn He has endured,
for us a vict'ry has secured.

Christ will return, this earth to reign then
and our oppressor will be slain then.
One day all peoples understand
that Christ is King at Your right Hand.
Heaven and earth You will make new
and all will sing their praise to You.
