

## **He Does Hear Our Pleas!**

One step in faith will find our God,  
when we His calling hear.  
't Is He Who our salvation wrought  
and He is always near.

Our "Yes Lord" will decide our fate  
and bring us to our knees.  
't Is His love that will set us straight,  
and He does hear our pleas.

The Lord is faithful, knows His own  
and He completes the task.  
He grows the seed when it is sown,  
all we need do is ask.

His love and mercy and His grace  
to all He does extend.  
But we must first His love embrace,  
He'll then His Spirit send.

Oh Love Divine, oh wondrous thought,  
that You so for us care.  
't Is Jesus blood our pardon bought,  
He all our sins did bear.

Oh, may we witness to Your love  
and follow Your command.  
That as You watch us from above,  
we to Your vineyard tend.
