

## **Christ, Our Saviour, Risen Lord.**

Worship God for all His greatness,  
truly merciful and gracious,  
bring Him praise with happy strains.  
Come before Him now with gladness,  
for our life in Him is joyous,  
He removed our bondage chains.

Creator and Benefactor,  
in His image man was made.  
Man did not obey his Lord.  
God then sent His Mediator,  
with His life our sins He paid,  
Christ, our Saviour, Risen Lord.

We now turn to God our faces,  
in His Holy Word find wisdom,  
Father, Son, and Holy Ghost.  
Triune God, please hear our praises,  
soon return to rule Your kingdom,  
with Your saints and heav'nly host.
