

You Have Loved Us All Along

A Benediction

Praise and worship, thanks and honour,
to our Lord and Majesty.
Of us all You, our Creator,
have secured our victory.
By Your mercy we now belong,
You have loved us all along.

Lord, we ask that You now bless us
as we do depart from here.
May Your Spirit daily guide us,
in our life always be near.
Let Your Scriptures teach us at length,
in our weakness, be our strength.
