

## Let God Guide You

If you would always let God guide you,  
you'd find His promises are true.  
For only He is ever faithful,  
and He will always see you through.  
His Word is Truth, His love divine  
and He will all of you refine.

Yes God is merciful and giving,  
't is only He Who peace can bring.  
For even when your days are frightful,  
He still is over all the King.  
In pain and sorrows He is near,  
't is He Who can dispel your fear.

To know your Lord, is to be trusting,  
and daily to His mercy cling.  
The days with Him are ever joyful,  
to Him you will your praises sing.  
Oh turn to Him, and hear His call,  
for He is Lord, the Lord of all.
