

My Heart And Soul Are Jubilant

My Saviour shed His blood for me,
from bondage set me free.
Washed by His blood, I am now whole,
no sins blemish my soul.

Refrain:

My heart and soul are jubilant:
Jesus has died for me.
My Saviour has been lenient,
I am now clean and free.

And still the power of Your blood,
my Saviour and my Lord,
can stem this whole world's sinful flood,
to all mercy accord.

And all that do in You believe
will one day You behold.
And no one can their faith retrieve,
their vict'ry 't is foretold.

Lord, take my body and my soul,
be daily now my Guide.
Help me to focus on Your goal,
remove all greed and pride.

After a hymn by Johannes de Heer
