

Jubilate!

God omnipotent, Creator,
of the heavens and the earth.
Jesus Christ, our Mediator,
come to us by virgin birth.
Hear, oh Lord, our grateful worship
in this morning's fellowship.
We may rest from work and play
on this weekly Sabbath day.
Hallelujah, You we praise,
joyful now our voices raise.
Halelujah, hallelujah, hallelujah,
You we praise.

All our needs You have provided
with Your grace and loving care.
Through another week have guided
all Your children true and fair.
Be there pain or be there sorrows,
even death we need not fear.
You take care of all tomorrows
and we know that you are near.
Hallelujah, You we praise,
joyful now our voices raise.
Jubilate, jubilate, jubilate.
Amen.
