

Jesus As My Light

With Jesus as my Light,
I need not fear the darkness.
For in the deepest night,
He is my Rock, my Fortress.
My soul and being now
respond to all His grace.
His mercy does bestow
my life a whole new pace.

In word and deed and song,
I want to praise my Saviour.
For I to Him belong
and do enjoy His favour.
Daily, Lord, let me serve
in gratefulness and joy.
My faith will never swerve,
while I 'm in Your employ.

I ask Your blessing Lord
on all my daily living.
Your mercy please accord
when I need Your forgiving.
Let me Your temple be,
body, spirit and soul,
till I from sin set free,
completely will be whole.
