

## **May I Reflect Your Love In All I Do!**

I kneel before You, Lord, at start of day,  
to ask Your blessing for my work and play.  
May I reflect Your love in all I do,  
to honour You.

All through the past night You have guarded me  
and set in sleep my mind from worries free.  
Grant me Your guidance for the coming day,  
this Lord I pray.

Teach me Your kindness in addressing folk  
so I Your love in others may invoke.  
Grant me Your grace and patience when I speak,  
Lord keep me meek.

And should I stumble, Lord, please be on hand,  
so that my actions never do offend.  
May I this day Your true disciple be,  
joyous and free. Amen.
