

His Ascension

Our Lord returned to heaven,
His home before He came here.
He came to save mankind.
Forgave, redeemed and healed,
restored our path to God.
He gave His own life for us
and paid for all our sins.

Our Lord now lives in glory,
the Lamb for sinners slain.
Sing praises to our Lord.
He reigns us now from heaven,
prepares a place there for us.
One day He will return
and bring peace to this earth.
