

Jesus Is The Truth And Way!

Jesus is my Rock and Shield,
and the Guardian of my soul.
To His love my heart does yield,
't is His grace that makes me whole.
All alone I could not stand,
for I would succumb to sin.
With Him I'll walk hand in hand,
for He'll bring me safely in.

Once I travelled quite forlorn,
did not listen for His voice.
Long my soul was lost and torn,
then He offered me a choice.
I depend now on His love,
and His heav'nly Spirit Guide.
All His blessings from above
when I in His grace abide.

Jesus is the Truth and Way,
He my life and Shepherd is.
Count His blessings ev'ry day,
not a mite that I would miss.
Joyous is a life with Him,
when I trust Him and obey.
Ev'ry day a new begin,
for with Him I do not stray.
