

You Are Mine

Our Lord is calling, is calling your name,
He's here your soul to claim.
For 't is for you to earth He came,
He's calling you by name.

Oh heed His call, do hear His voice,
the angels will rejoice.
Eternal life can be your choice,
come answer to His voice.

Oh what a foretaste of glory divine,
in Jesus I may shine.
For He does all of me refine,
my Lord says: "You are Mine."
