

Worship The Lord And Praise His Name!

Worship the Lord and praise His name,
His mighty strength and pow'r proclaim.
 Mercy and grace, His love divine,
 He offered all and they are mine.
Rock of my faith, my Shield, my Light,
Who fills my days with rays so bright.

Serve Him with joy and serve Him with zeal,
for He will soon His Kingdom reveal.
Tell all the world and spread the tale,
 that He is Lord and will not fail.
Lord over lords, and King over kings,
Who lasting peace and order brings.

Come now and stand to raise your voice,
all you, His saints, do greatly rejoice.
Your Lord is near, and He will hear,
 make music, sing, be of good cheer.
All strife and sorrow soon will be o'er,
and war and hate will be no more.
