

## **Sing To The Lord A Joyful Song**

A paraphrase on Psalm 95: 1-7

Sing to the Lord a joyful song,  
for we to Him belong.  
Salvation comes from Him alone  
and He does know His own.

Give thanks and sing, for He is great,  
the earth He did create.  
He is the Lord of lords indeed  
His people He will lead.

Come worship Him, bow down and kneel,  
praise His name now with zeal.  
We are the people of His flock,  
He is our steadfast Rock.

Open your heart, His voice now hear,  
't is He Whom we must fear.  
Sing to our Lord a joyful song,  
for we to Him belong.
