

It Is His Grace

His glory to the world proclaim,
for He is great and full of grace.
Sing praises to His holy name
in ev'ry land, to ev'ry race.

We try and fail and try again,
but we fall short and cannot win.
't Is only He, the Son of Man,
Who overcame and conquered sin.

But God has mercy, 't is His grace
that sent His Son to pay our sin.
Now ev'ry tribe and ev'ry race,
yes all who seek, the battle win.

To all who call on Him in trust,
forgiveness seek and do repent,
the Lord is merciful and just,
He then His pardon does extend.
