

Jesus Is Coming Again

Jesus is coming, He's coming again,
that is His promise, His promise to man.
Tell all the nations that He is the Lord,
that all who served Him, He will then reward.

Refrain:

Praise be to God in the highest,
Jesus will keep His promise to man.
Hosanna in the highest,
Jesus is coming again.

If you accepted Christ Jesus as King,
then you will know all the joy He does bring.
All you need do is to trust and obey,
serve Him with fervor on every day.

Always remember that He will one day,
call you by name and to come with Him stay.
From all your labours He will grant you rest,
so while you are here, just give Him your best.
