

Lord, Hear Our Song Of Joyful Praise

We come to praise Your holy name
and all Your mighty works proclaim.
Creator God, You are our Lord,
to You we sing this joyful chord.

We praise You for Your grace and love
and all Your blessings from above.
When we are weak, Lord, You are strong,
we know that we to You belong.

We thank You for Your patience, Lord,
and all Your mercies You accord.
Each time we ask You to forgive,
You hear and let us ever live.

Lord, hear our song of joyful praise,
teach us to follow in Your ways.
May Your light be our constant guide,
each day please do with us abide.
