

Our Master Is The Way!

Do you know a Friend more faithful
than the God of Man portrays?
No one has greater love!
Life with Him is ever full,
for He is just in all His ways
and watches from above.

Who can match the grace of Jesus
or the mercies He bestows?
None other has such grace!
Life with Him is glorious,
He smoothens and removes our woes
and puts His peace in place

We must follow where He leads us,
go where He has gone before.
Our Master Is the way!
Truthful is our Lord to us
and we may live forevermore,
to always with Him stay.
