

Jesus Is Amongst Us

... at the name of Jesus, every knee should bow... Php 2:10

Jesus is amongst us, He does hear our praises,
play the harp and flute and base strings.
Joyfully make music, make it sound majestic,
all creation to its King sings.

Refrain:

Our Lord reigns, hear the strains,
mighty, full and glorious, Jesus is victorious.

Son of God incarnate, hail Him with the trumpet,
sound the drum and laud His vict'ry.
All will bow and worship, kneel before His Lordship,
marvel at His might and glory.

Jesus is amongst us, He does hear our praises,
sin and death He has defeated.
All proclaim His glory, tell the world the story,
that His task He has completed.
