

## **For You My Soul Does Long**

Oh Lord, my God, oh Saviour mine,  
Your ear to me incline.  
Where I am weak, Lord, You are strong,  
for You my soul does long.

Lord, hear me as I pray to You,  
forgive the sins I do.  
I need Your love, I need Your grace,  
with mercy me embrace.

Please guide me on my walk with You,  
so I Your will may do.  
May I reflect Your love each day,  
no longer go astray.

Still many do not know You yet  
and have their Lord not met.  
Help me to tell all 'bout You,  
so they may know You too.
