

# **Bless Us Now Lord**

A Benediction

Father, God, now bless us,  
with Your Son, Lord Jesus,  
and Your Spirit , guide us.  
Hear us, Lord, grant us Your peace.

Lift Your face, and let it shine  
for our feet a constant light.  
Lord, o make us truly Thine,  
may we live to Your delight.

As Your children leave Your house,  
guide us on our homeward way.  
Strengthen us to keep our vows,  
living for You ev'ry day.
