

## **Come To Your Saviour**

Come to your Saviour, without delay,  
come to Him now, please don't go astray.  
He came from heaven to save you too,  
hear, He is calling you.

Refrain:

Glorious, glorious sounds the vict'ry song  
of His children who around Him throng,  
as they are gathered around God's throne,  
there where the angels roam.

Don't stop the children, send them to Me,  
so says our Saviour: "Bring them to Me."  
Can you not hear yet, His tender voice?  
Come, listen and rejoice.

Always remember that He is near  
and when you answer, know He will hear.  
So listen for Him, heed now His call:  
"Come to me, one and all."
