

He's The God Of All Creation

Hallelujah, sing Him praises,
all the earth in joyful song.
Lift to Him your happy faces,
for we all to Him belong.
All the peoples, ev'ry nation,
come to Him and sing Him praise.
He's the God of our salvation,
gratefully your voices raise.

He's the God of all creation
with the firmament on high.
Praise Him ev'ry generation,
joyfully Him glorify.
Praise Him with great exultation
for His kindness and His grace.
All the peoples, ev'ry nation,
for His love does all embrace.

Hallelujah, His the glory,
come and join our joyful throng.
Tell the whole world now the story,
raise to Him a mighty song.
Our God was from all beginning,
Alpha and Omega He.
His rule will be without ending,
e'er the great "I AM" will be.
