

Jesus Will Show The Way!

God calls His faithful to be bold,
to spread His Word to all.
For He will pardon young and old,
who answer to His call.
To ev'ry creed and nation,
His mercy He will show,
to ev'ry generation
that dwelt down here below.

Go to the task and spread His love,
His mercy and His grace.
For He sends blessings from above
when we His Truth embrace.
To everlasting living,
Jesus will show the Way,
with joy and peace, thanksgiving,
the order of the day.

There is no friend like Jesus,
there is no other Lord.
A life with Him is joyous,
His stewards He'll reward.
Yes, Jesus is forever,
and He has bought His own.
Christ Jesus never, never,
His people will disown.

So heed His great commandment
to tell to all the world,
His Kingdom now is imminent
and soon will be unfurled.
Bring His peace to the nations,
and bring to all His love.
To all earth's generations,
His orders from above.
