

## **Because I know how great You are!**

When I behold Your works in all their splendour,  
‘t is then I know how great You are.  
The highest mountains and the deep blue waters:  
Lord, You are great, how great You are.  
The animals, the birds, flowers and fishes,  
You made them all, and all for me  
In greatfulness I sing my praises to You:  
Lord, You are great, how great You Are!

I thank You Lord, for sending Your Son Jesus:  
Lord, You are great, how great You are.  
Because of Him we now may live forever:  
Lord, You are great, how great You are,  
that You my sins for always have forgiven,  
that You from bondage set us free.  
And ev’ry day is now a new beginning:  
Lord, You are great, how great You are!

I thank You Lord, for all new life beginning:  
Lord, You are great, how great You are.  
For all the beauty that You have provided:  
Lord, You are great, how great You are.  
Blest is the day that finally I meet You,  
my soul rejoices for that time.  
I’ll sing my praises with the angels’ chorus,  
because I know how great You are!
