

Grant Us Your Guidance

Jesus, our Saviour, gracious is Your kindness.
Down to earth You came, offering Your salvation,
granting redemption, eternal forgiveness,
Your dispensation.

Jesus, our Saviour, You are all compassion,
You laid down Your life, to save us forever,
We need not fear now, evil or damnation,
praise You forever.

Jesus, Redeemer, all our praise You merit.
Make us more like You, so we wait with patience,
honour eternally, Father, Son, and Spirit.
Grant us Your Guidance.
