

What Would You Have Me Do?

Saviour, You have brought salvation to me.
What would You now have me do?
You offered joy to me and set me free.
Now what can I do for You?

Refrain:

Lord, what would You have me do?
Teach me just Your will to see.
Jesus, my Master, Your will let me do,
You lead the way now for me.

Sins You forgave me when I came to You.
What would You now have me do?
You offered rest to me and peace of mind.
What can I do now in kind?

You showed me mercy and paid with Your life.
What would You now have me do?
You at my side also ended my strife.
Now what can I do for You?

Lord, I am ready to do just Your will.
What would You now have me do?
Teach me to follow You happy and still,
Lord, that's what I'd like to do.
