

Oh Lord, Hear Our Singing

Oh Lord, hear our singing,
our praises we're bringing
to honour our Saviour,
the Prince of Peace.
He came to redeem us,
we are overjoyous
that He came to save us,
from sin to release.

Our walk now with Jesus,
is to us quite precious,
yet we still need guidance
to walk in His way.
We often are tempted,
by Satan preempted.
So, Lord, grant us Your light,
on Your path to stay.

Daily with Your Spirit,
our own minds inhibit,
oh, mold and remake us
in likeness of Him.
That we with our witness
may practise forgiveness
to those who offend us,
with love make us brim.
