

## He Is There !

On mountains and in valleys,  
our God is ev'rywhere!  
Wherever we may stay or stray,  
our God is also there!  
Our minds may be confusing,  
depressed, yet He is there!  
And when elated and we sing,  
God smiles and He is there!

Our faithful Father watches  
and knows our ev'ry move.  
And when we call upon Him,  
our sins He does remove.  
He hears the young birds' calling,  
all valleys green He made,  
gave tasks to ev'ry living thing,  
and cares for all He made.

All creatures that on land be,  
all creatures in the sea,  
and all that in the air roam,  
or near His heav'nly throne,  
all you are of His making,  
discover day and night,  
in eating, toiling, sleeping,  
the greatness of His might!

Praise, Christian, then the Father,  
He's always at your side!  
When helpless or in sickness,  
discover then His might!  
When trusted friends forsake you,  
God still is at your side!  
In life, in death, for evermore,  
He'd be your faithful Guide.
