

# **Jesus Is King**

An Ascension Hymn

Heavenly Father, we bring to You our praise,  
now in Your presence our joyful anthems raise.

You are Almighty, all power and all might  
belong to You alone, please do in us delight.

Fill all the earth now, with love and majesty,  
ban all the darkness, and all adversity.

As 't is in heaven, on earth Your will be done,  
bring in the Kingdom now, the Kingdom of Your Son.

Now and forever, we'll sing to You our praise,  
now and forever, we may our anthems raise.

You are our ris'n Lord, the King of glory now,  
for all eternity all men on earth shall bow.

Sing hallelujah, He comes in majesty,  
ascend Your throne Lord, with all authority.

We are the children of our triumphant King.

Jesus is King, now, and for all eternity!

Jesus is King, now, and for all eternity!

Based on a hymn by G.Breaes.
