

Jesus, Lord Over All!

Jesus Christ, Lord over all,
You came to redeem us.
We are heeding now Your call
and are overjoyous.
You, the heir, hear our pray'r,
You will not abandon
any of Your children.

While our journey still goes on,
we will seek Your presence.
You for us the vict'ry won,
grant us perseverance.
Run the race, with Your grace,
bless our Christian labours,
loving all our neighbours.

One day we may You behold,
witness all Your glory.
Until then please make us bold,
tell the world the story:
of Your plan, for all man
of this generation,
who seek Your salvation.
