

Jesus, Saviour, Lord Of All!

Jesus, Saviour, Lord o'er all,
though quite sinful, prone to fall,
You came down to save our soul,
to redeem, and make us whole.

You came down and gave Your life,
so we might be free from strife.
For our sins You did atone
and You did that all alone.

Light that in the dark will shine,
all Your children to refine,
so one day we all may be,
set from sin completely free.

Lord, we thank You for Your gift,
guide us so we'll never drift.
Share Your message with the world
till Your kingdom is unfurled.
