

Thank You, Jesus, For Your Friendship!

Jesus is my Light, my Saviour
and the Master of my life.
He died for my misbehaviour,
granting me eternal life,
There 's no greater Friend than Jesus,
loving, merciful and gracious.
Thankful praises to my King,
now and ever I will sing.

You came down for my atonement
from Your heavenly abode.
Shed Your blood and in that moment
opened for me heaven's road.
Scorn and pain You suffered for me,
cut my bonds so I am set free.
Thankful praises to my King,
now and ever I will sing.

Thank You, Jesus, for Your friendship,
all the love that You have shown.
You forever I may worship,
now, and one day near Your throne.
I may serve You in my life here
and I will, one day, Your voice hear.
Thankful praises to my King,
now and ever I will sing.
