

## Oh May I Know

Oh may I know on ev'ry day,  
be my road smooth or rough,  
that You, Lord, have prepared my way,  
Your nearness is enough.

Refrain:

Nearer to You, nearer to You,  
nearer my Saviour to You.  
Just let me know that all I do,  
will bring me nearer You.

Oh may I know You set me free,  
when You were crucified.  
And that to gain a crown for me,  
e'en death You have defied.

Oh may I know Your love alone  
can guide me ev'ry day.  
Then praise for You will set the tone,  
where e'er I tarry may.

Oh may I know, sorrow and pain,  
whate'er my cross may be,  
that suffering is not in vain,  
Your Father's home 's for me.
