

## **'t Is Your Son Who Set Us Free!**

Mighty God, we come confessing,  
we have strayed, please do forgive.  
Gracious God, we need Your blessing,  
help us to uprightly live.

Refrain:

Send Your Spirit down upon us  
as our counsel for each day.  
Always keep, forever guide us,  
't is for this, Lord, that we pray.

Merciful and loving Father,  
't is Your Son Who set us free!  
Lead us to Your verdant pasture,  
in His Name we pray and plea.

May Your love now fill our being,  
so that others see our joy.  
Then in us, it's You they 're seeing,  
help us shine in Your employ.
