

Jesus, My Shepherd

Jesus, my Shepherd, please take me along,
You I would follow and praise with my song.
Your yoke is easy, Your burden is light,
when You are leading, my path is quite bright.

Refrain:

Jesus, my Shepherd, my Lord and my King,
Your praises I may eternally sing.
Jesus, my Shepherd, to You I belong,
though I am weak, yet, in You I am strong

Be my road sunlit or darkened by clouds,
be I alone or surrounded by crowds,
You are my staff, Lord, on which I may lean.
In Your blood You have washed all my sins clean.
