

We Are Grateful Jesus

Our dear Lord and Saviour, we are gathered here,
offring our devotion at this change of year.
You have amply blest us, kept us day by day.
We are grateful Jesus, You we follow may.

In the coming year, Lord, lead for us the way,
so in our endeavours, we will never sway.
Holding high the banner of our Christian faith,
marking all our vict'ries with our songs of praise.

As the years speed by, Lord, You will teach us more,
so one day we're perfect for th' eternal shore.
Help us share our sorrows and our joyful days,
see in all tomorrows all Your sunny rays.
