

We Know That We To You Belong

Come let us worship now our Lord
and raise to Him a mighty chord.
Praise Him for blessings ev'ry day,
for guidance in our work and play.

Our Lord is merciful and kind,
a greater Friend no one can find.
His grace and power are reowned,
His love for us deep and profound.

Come serve Him with a grateful heart
and never from His ways depart.
His way is truth and life and love,
the kind He sends us from above.

Oh Lord please hear the praise we bring
and grant Your blessings as we sing.
Where we are weak, Lord, You are strong,
we know that we to You belong.
