

## Our Risen King

Hearken now unto His voice,  
make to Him a joyful noise.  
He is now our risen King,  
loud hosannas sing.

### **Refrain:**

Hail the King and praise His name.  
't Is for us to earth He came.  
He to heaven did ascend,  
we can on His grace depend.

Once rejected and despised,  
Jesus lives immortalized.  
Evermore He will now reign,  
Lamb for sinners slain.
