

Hold On To The Rock

Hold on to the Rock now, the tempter is near.
Lean always on Jesus, for He dispels fear.
His love is your stronghold, He died for you too.
The task He has finished, brings peace now for you.

Refrain:

Hold on to the Rock now, no storm can dispel
the safety with Jesus, when you with Him dwell.

Hold on to the Rock now, for wrong ne'er is far.
't Is always around you, wherever you are.
No matter the dangers of pitfalls and strife,
there 's safety with Jesus and eternal life.

Hold on to the Rock now, depend on His grace,
so then all your struggles, with Him you can face.
For Jesus, your Helper, He always is near.
The Rock 's never shaken, so be of good cheer.
