

Jesus Will Safekeep Forever

When I am in doubt and fearing
Satan is nearby,
I must then ask for Christ's guiding,
ask Him to be nigh.

Refrain:
Jesus is my Strength,
Jesus is my Strength,
in His nearness is my safety,
Jesus is my Strength.

When alone and barely standing,
I will take His hands.
When my love for Him is cooling,
His faith with me stands.

When this world, humilating,
with scorn puts me down,
for His coming I 'll be waiting,
He 'll give me a crown.

Jesus will abandon never
what in me He wrought.
Jesus will safekeep forever,
what His blood has bought.
