A Wonderful Saviour

A merciful Saviour is Jesus, my Lord,
He paid for my sins on a tree.
He sought me and called me to follow His lead,
I answered, and He set me free.
He showed me His way, led me into His truth,
with joy He has filled my new life.
Oh glory the day that He called me by name,
for He has removed all my strife.
For He has removed all my strife.

A wonderful Saviour is Jesus, my Lord,
for daily I am in His care.
He safeguards my soul and provides all my needs,
He helps me my burdens to bear.
Though dark be the clouds and quite rocky my path,
He faithfully is at my side.
Whatever betide, I am sure of His love,
for daily He will be my Guide.
For daily He will be my Guide.

God's love for mankind is so awfully strong,
so strong that He sent us His Son.
He died on a tree just to pay for my sins
and for me redemption has won.
My Saviour has granted me blessing and peace,
His Spirit is light to my feet.
My life is a song to the glory of God,
my joy now in Him is complete.
My joy now in Him is complete.
