

## May Your Spirit Live Within Me

Lord, I give my life to You now,  
to Your Spirit humbly bow.  
May Your Spirit live within me,  
from sin set me free.  
All the love that I can muster,  
use it Lord for Your lustre.  
Strife and sorrow I need not fear,  
for You will be near.

Refrain:

Hallelujah! Glorious, glorious,  
You have purchased all of me.  
Your salvation is victorious,  
Your blood set me free!

Lord, accept my will as Your's now,  
and in future show me how,  
I may always evil withstand,  
Lord, You hold my hand.  
Please direct my ways and words Lord,  
help me to avoid discord.  
Your disciple I would now be,  
oh Lord, hear my plea.

Let me be a worker for You,  
so I live only for You!  
Lord, so I no longer will stray,  
guide me day by day.  
With You as my heavenly Friend,  
serving till my mortal end.  
Once to rise in body glorious,  
then victorious.

Inspired by a Salvation Army hymn.
