

## **Jesus, You My Life And Stay**

Jesus, You my life and Stay,  
Who I always follow may.  
Learn to love and be like You,  
fill my being, make it true.  
Fill my being, make it true.

Refrain:

Jesus, You my life and Stay,  
Jesus, You my life and Stay.  
Lead me to Your Kingdom glorious,  
live with You victorious.

Take my heart and mind and soul,  
mold them, Lord, and make them whole.  
Light in me Your fires of love  
till I 'm fit for You above.  
Till I 'm fit for You above.

Rock of Ages, cleft for me,  
You 're my safest place to be.  
Counting on Your promises,  
I will be victorious.  
I will be victorious.

Jesus, You my faithful Friend,  
You will all my being mend.  
You have made me, I am Yours,  
use me now and set my course.  
Use me now and set my course.
