

## **Worthy Is The Lamb**

Mighty God, You are our Strength,  
both our Shield and our Defender.  
You have cared for us at length,  
off 'ring grace to each offender.  
Mighty God, we bring You praise,  
joyfully our voices raise.

Though eternally unseen,  
You 're the God that is all seeing.  
Always have been on the scene,  
Creator of ev'ry being.  
Alpha and Omega, You  
are the only God Who's true.

God, we thank You for Your Son.  
Worthy is the Lamb that was slain  
for the wrongs that men has done.  
Glory to His Holy Name,  
power, riches, wisdom true,  
honour, strength, and blessing too.
